

Retired Football Players Stand Together!

I am a retired player in the National Football League ("NFL"). I understand that the National Football League Players Association ("NFLPA") is reconstituting itself as a union and plans to commence collective bargaining negotiations with the NFL that will include matters relating to already retired NFL players. I also understand that recently Jim Brown, Gale Sayers, and several other notable NFL Hall of Famers have been outspoken about the NFLPA's failure to advocate effectively for retired players.

I hereby advise both the NFL and NFLPA that I do not consent to the NFLPA bargaining any retiree rights on my behalf. I also do not authorize the NFLPA to act on my behalf with regard to the implementation of any retirement benefits to which I am or may be entitled.

I am hereby adding myself to this growing list of retired football players.
